Maximum Marks	2 Marks

Customer Journey Map

Map out the customer's experience stage-by-stage, capturing their actions, touchpoints, thoughts, and feelings, along with process ownership and improvement opportunities at each stage.

Phase of Journey	Stage 1	Stage 2	Stage 3
Actions <i>What does the customer do?</i>	• Visits the bank • Checks eligibility • Starts the application	• Uploads KYC documents • Income proof • Employment details	Receives approval/rejection and downloads the result
Touchpoint <i>What part of the service do they interact with?</i>	Bank website / Mobile App	Online application form / AI prediction system	Result page / Email / SMS notification
Customer Thought <i>What is the customer thinking?</i>	"Am I eligible for a credit card?"	"I hope my documents are correct."	"Will my application be approved?"
Customer Feeling <i>What is the customer feeling?</i>	Curious and hopeful	Slightly anxious	Happy if approved, disappointed if rejected

Process Ownership <i>Who is in the lead on this?</i>	Customer & Bank	Customer, AI/ML System & Bank Verification Team	AI Prediction System & Bank
Opportunities <i>How can we improve this stage?</i>	Provide clear eligibility information	Faster document verification using AI	Instant approval status with reason and suggestions
